Doc. No.....

GDA Ref.....

Years.....

My submissions I don't want them published on council website

I have no access to computer I had been in touch with Sherilyn Hamrahans.. All I wish to do with my property is remove the asbestos/timber near Bathroom/Kitchen/Living area and replace it with a new building

But I would like to talk to one of the planners that could give me more information that what Sherilyn was able to give me.

Yours Sincerely

Robert Anderson
