To Whom it May Concern.

**We the residents of Old Cottage Road, Protest and Object to Council and the Department of Heritage Australia, wanting to procure our homes and land for Heritage Listing.**

These things should not be forced upon anyone. This is supposed to be a FREE country.

With more and more of these sorts of Departments being set up, it will not be long before we need a permit to breathe.

**Is this rush to make our homes Heritage Listed, anything to do with the fact that we have been pushing Council for work to be carried out on our little bit of Road? It seems very possible.** There has been no mention to any of us about this prior to the announcement that we are to be Heritage listed;

Then we are given only five (seems like three) weeks notice before it becomes fact.

Was it brought before the General Council Meeting?

There has been no mention of it in the Mercurary News Paper.

**NO THANK YOU WE DO NOT WANT IT.**

**Signed in protest, against Heritage Listing.**
