Cullen Bullen NSW2790

Attention General Manager
Reference LEP2013

Please find following a submission from Cullen Bullen Lifestyle Group Inc regarding the draft LEP2013.

We are grateful for the opportunity to comment on the LEP 2013 and would like to refer in particular to the following aim taken from the draft LEP 2013 document.

"(2) The particular aims of this Plan are as follows:

(a) to encourage sustainable and planned development that complements the unique character and amenity of Lithgow City and enhances its towns, villages and rural areas."

The Cullen Bullen Lifestyle Group acknowledges that some projects such as the Coalpac Consolidation Project and the Wattle Mount Quarry were considered using the current Lithgow City Local Environmental Plan 1994, however we question the sincerity and the validity of the aims and objectives outlined in the draft proposal given the enormous impact to the environment those two projects will deliver.

The ideals to which the LEP2013 strive to ensure are admirable to say the least, but based on the approval and advocacy on behalf of projects that will not in our opinion support those ideals, we wonder if Council's true aim is to uphold those ideals or simply create a document which makes reference to them.

Our hope is that Council will endeavor to uphold the ideals as outlined in the LEP2013.

Thank you for your consideration in this matter.

Kind regards

Eva Rizana on behalf of the Cullen Bullen Lifestyle Group Inc
