**To:** Lithgow City Council  
**Subject:** REF: LEP 2013

Attention: General Manager

Dear Sir,

I have some concerns on the draft LEP 2013 currently before council. My concerns are:

1. I have plans to build a detached dwelling occupancy for my elderly parents who are now in their mid eighties. We also have a number of foster children who stay with us and have plans to use a detached dwelling for accommodation to help with the never ending demand for respite care.
2. As we are in the RU2 zone we will be banned from intensive agriculture. We currently farm cattle intensively using a hydroponic fodder system on our 100 acre property. How will this affect us?
3. Will the water overlay provision of 40 meters prevent us from cropping up to the creek which we currently do?

Can you please respond to these queries?

Also, I understand the cut off for responses to the LEP was yesterday. As this email was sent at 6am the next morning I'm hoping it's not to late.

Regards
