Dear Sir,

Re zone behind 5, 7, + 9
Coalbrook Street

The flood plane + currently "Reserve"
Area behind house 5, 7 + 9. is a
Necessary green space enjoyed
by people along creek line.

No development should occur on
this land as it is a flood clear zone.

A property protection zone as a
free water wash away area.

The farmers creek is a water catchment
water way + not to be banks developed.
Water catchment banks need preserving
for clean water, creek access maintenance
and no water damming up zones.

Please do not rezone it housings as
it is essential green land.
